Mona makes the same drawing but uses triangles. It takes 2 triangles to make a square. How many triangles does Mona draw?</p> 	Pages 165 - 167	On the grid below, draw and label as many rectangles as you can with an area of 18 square units.	Calendar - Calling sticks	Allow students a moment to share their thoughts with a partner.	Find the result: ..... × ..... = 18

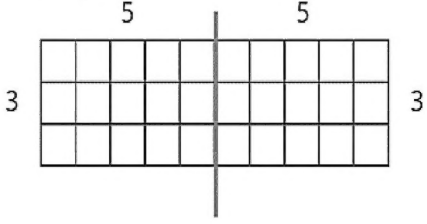

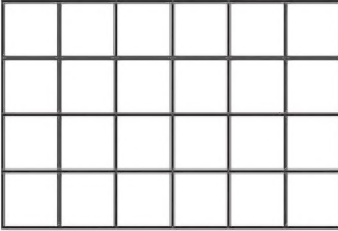

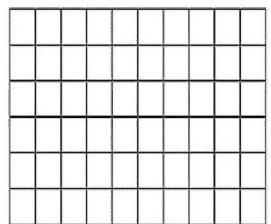

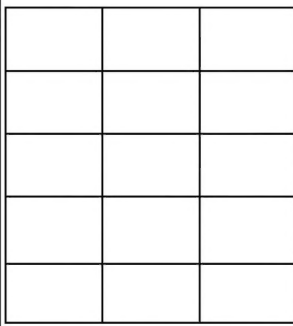

Teacher's Self Reflection ☐ Exceeds expectations ☐ Meets expectations ☐ Sometimes Meets Expectations ☐ Below Expectations ☐

Grade (3) class: ..... Date:..... present :..... Absent: ..... Students' total number: .....
